SHERLOCK BROTHERS COMPLETE SHORTHORN DISPERSION

ANNOUNCEMENT

It is with deepest regret, we write this letter concerning the dispersion of our entire herd of SHORTHORN breeding cattle, due to circumstances beyond our control.

Our experience as breeders of SHORTHORNS has been both pleasant and profitable, down through the years, from a small and secure beginning to the present day and number of 70 head in this dispersion sale.

Our policy and practice in management, of the herd has always been to keep only Sires and Females thoroughly capable of producing offspring that conformed with breed standards, responded to feed and care and reflect the principals of good judgement. The success of these ideals and practise is obvious and will be fully demonstrated by the Shorthorns you will have an opportunity to buy in the sale.

We have placed numerous top selling females in the herd and culled rigidly regardless of cost in order to establish type, conformation, ruggedness, and gainability.

We have been extremely fortunate in obtaining good breeding bulls to gain these objectives including Bondmaster Achievement 2515421, Hartleys Royal Baron 2715566 and the mighty JAYHAWKER 2845927 our present herd sire and lot No. 1 in the catalog, these excellent breeding bulls mated to the daughters of other good bulls of the breed have accomplished a purpose which is gratifying indeed and affords us great pride in this sale offering.

It would take pages to write all about the herd which we are confident will meet with your highest approval sale day, although unfitted and in pasture condition, they are healthy, and in prime breeding condition. We want you to see them.

This letter is a cordial invitation for you to be our guest at the sale on Saturday December 13, 1958.

Sincerely Yours,

Sherlock Brothers
E. T. Sherlock

HARTLEY'S ROYAL BARON -- A son of imported Moy Bounty, the bull that had done such a good job for Hartley Farms, Baxter Springs, Kansas. His dam is by Mercury's Archer, the Kansas champion and top selling bull. We bought Hartleys Royal Baron with his mother at Hartley Farm. He had the appearance of developing into a herd sire, which he proved to be in full measure coming from a top producing cow Lady Belle (lot 8) a daughter of the Kansas Champion Mercurys Archer and the famous Hartley sire Imp. Moy Bounty. His daughters bred to Jayhawker will surely prove good in any herd.
